Your Space To Work

The Grade II listed Northlight Industries complex provides exceptional office and industrial workspace tailored to meet the diverse needs of various businesses.

It encompasses 75,000 square feet of office space, 50,000 square feet of industrial space, and 25,000 square feet designated for self-storage. We are prepared to support your business with facilities that uphold the highest standards.

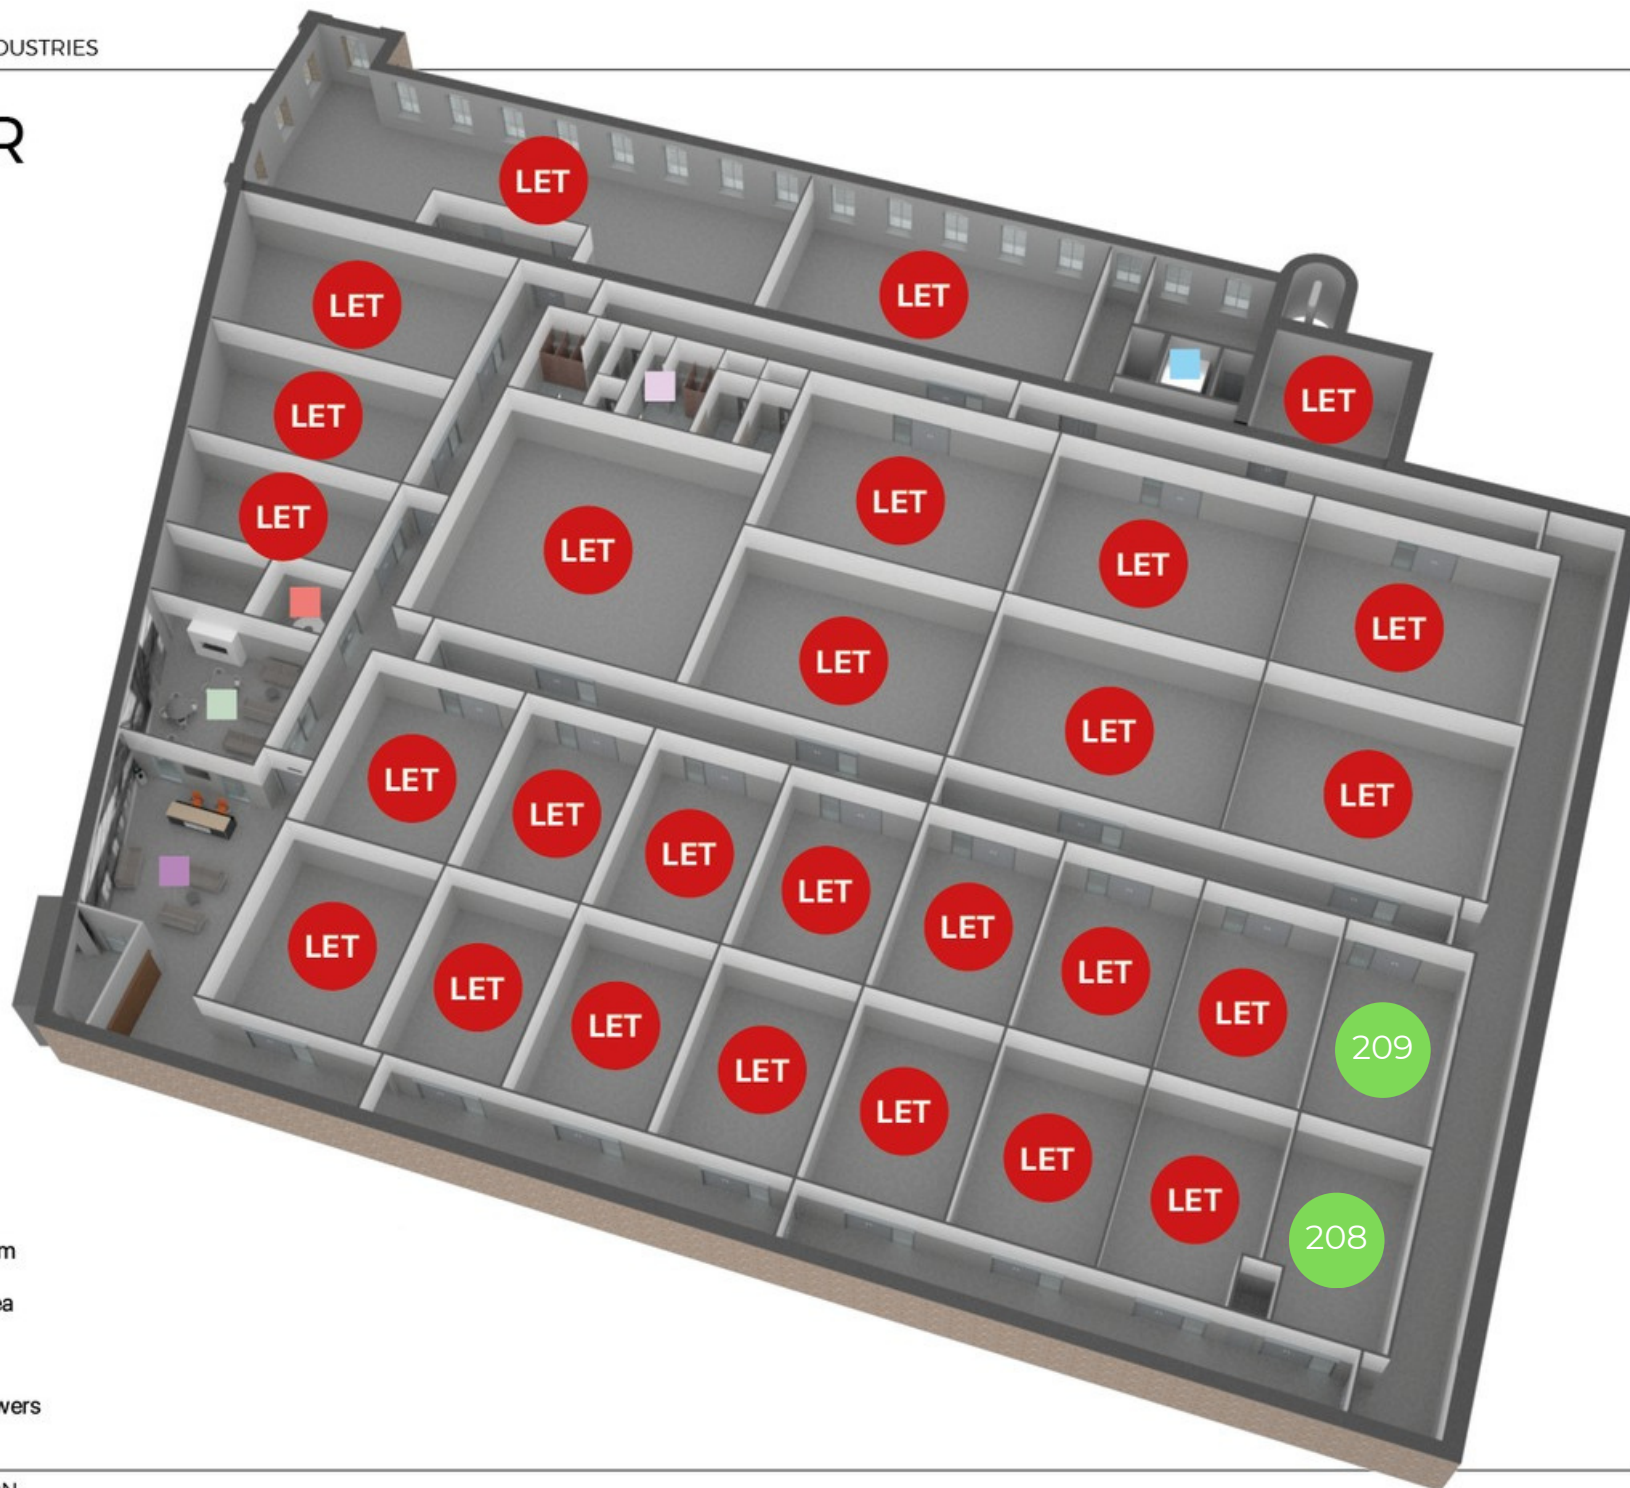

Design & Build

Why not design a customisable space that's perfectly in tune with your business's brand? Change the layout and configure the space design to match your team's needs. Then add a company logo and branding. And even fill the space with your choice of furniture, tech and storage options.

We can factor in the costs within the pricing, providing a cost-effective solution to personalise your office environment according to your requirements.
